

To whom it May Concern at the FCC,
I am alarmed and disturbed to hear of Sinclair
Broadcasting's decision to force their stations to air
an anti-Kerry documentary a few days before the
election.

Sinclair uses the public airwaves free of charge, and
is obligated by law to serve the public interest. But
this is a large company serving its own interests and
I am concerned that this action is dangerously un-
democratic.

I am hopeful that proper action is taken in the name
of fairness and legality.

Thank you for your consideration,
Blythe Liebgott
